

my dear Prof Gray,

many thanks for your
kind card.

I am going to make a request this
time that I won't be in the least
hurt if you refuse point blank.

Will you if you think you know
enough of me give me a good word
for my candidature for Leith Adams'
succession in the Natural History
Chair at Cork? The accompanying
application for a similar post will
refresh you as to my qualifications.

I will take "no" on a post card for
a sufficient answer should you decline.
I won't apologise for wasting
your time.

very truly yours

Marcus ~~Stuart~~ Sartorius

I'm waiting to get photo & bill I can get a
good one.
